

## **1. Introduction**

*Chikaming Township Park Board oversees the maintenance and improvement of our Beaches, Parks, and Preserves. Every two years the Park Board is required to bid out the **Waste Management Contract**.*

### **1.1 Background**

*Chikaming Township oversees 7 Road End Beach Accesses, Two Park & Preserves and One Park. Each of which have both regular waste can and recycle cans.*

### **1.2 Scope of Work**

*Each Park & Preserve have a different number of waste receptacles requirements:*

- *Harbert Road Preserve – One Trash & One Recycle*
- *Harbert Community Park – Two Trash & Recycling Cans by large pavilion and one Trash only can at Dog Park*
- *Chikaming Park & Preserve – Two Trash & Recycle in the back by the Pavilion; One each in the front parking lot.*

*Each beaches require:*

- *All beaches need two of each waste receptacles*

*Schedule*

- *Pick-up weekly from April through October*
- *Removal of cans during Winter Months – To be determined*
- *Dog Park Trash pick – up – Monthly Year Round*

*Additional Seasonal Services, priced separately;*

- *Extra Pick-up during the weeks of Memorial Day, Fourth of July and Labor Day*

### **1.3 Requirements**

*Request licensed contractor to provide detailed bid of requirements needed to make this project successful. Provide township with all licensing and insurance documents at time of bid submittal.*

## **2. Compliance**

*All **CLOSED** bids must be submitted prior to Thursday, February 15, 2018 and applicants must be compliant with all local, state and federal regulations concerning their business entity and the scope of this project.*

## **3. Project Timeline**

*Bids submitted – February 15, 2018*

*Review and awarded – February 26, 2018 at scheduled Park Board Meeting*
