

CHIKAMING TOWNSHIP UTILITY BOARD
MEETING MINUTES
October 10, 2019

The meeting was called to order at 7:32 p.m. by Supervisor Bunte. Board members present: Bunte, Marske, Rettig and Sullivan. Dudiak absent. Deputy clerk Anderson was present. Water department employee present: Schroeder. Attorney Hilmer and John Gooch were also present.

Rettig motioned to approve the consent agenda, financial reports, pay the bills, and accept the GRSD Sewer Authority report and minutes. Markse supported. Motion carried.

An update on various projects was given by Rob Andrew. The bidding process for the Montaign/Westerlund Way Special Assessment was pushed off because it was found that a homeowner built their septic field in the easement that was provided to the Township for utilities. An easement from Paul Shultz is now needed. After the easement is granted, the project will be put out to bid. The I&I study being done by Merritt Engineering found a leaking casting on Union Pier Rd. A contractor will be hired to mortar the brick supporting the leaking manhole.

The GRSD Sewer Authority billing concerns were discussed to inform the board of the status of the issue.

Rettig motioned to adjourn at 7:50 p.m. Bunte supported. Motion carried.
