I. Homeowner Affidavit	VI. Homeowner Affidavit											
I hereby certify the electrical work described on this permit application shall be installed by myself in my home in which I am living or about to occupy.												
All work shall be installed in accordance with the Michigan Electrical Code and shall not be enclosed, covered up, or put into operation until it has been inspected and approved by the township electrical inspector I will cooperate with the Electrical inspector and assume the responsibility to arrange for												
the necessary inspections.	the necessary inspections.											

VII. Fee Clarification

Item # 17, Mobile Home Unit Site: When installing a site service the permit application fee must include the application fee, service, plus number of park sites. When setting a HUD mobile home in a park, a permit must include the application fee and a feeder. This shall be done by a licensed electrical contractor. When setting a HUD mobile home or premanufactured home on private property, a permit must include the application fee, service and feeder.

GENERAL: Electrical work shall not be started until the application for permit has been filed with Chikaming Township. All Installations shall be done in conformance with the Michigan Electrical Code. No work shall be concealed until it has been inspected. The telephone number for the inspector is provided on the permit form. When ready for an inspection, call the inspector providing as much notice as possible. The inspector will need the job location, permit number and a contact name and number.

EXPIRATION OF PERMIT: A permit remains valid as long as work is progressing and inspections are requested and conducted. A permit shall become invalid if the authorized work is not commenced within six months after issuance of the permit or if the authorized work is suspended or abandoned for a period of six months after time of commencing work. A PERMIT WILL BE CANCELLED WHEN NO INSPECTIONS ARE REQUESTED AND CONDUCTED WITHINN SIX MONTHS OF THE DATE OF ISSUANCE OR THE DATE OF A PREVIOUS INSPECTION. CANCELLED PERMITS CANNOT BE REFUNDED OR REINSTATED.
