Monthly Report

Chief's Notes:

Spring has finally arrived. As you can see, the numbers are down because of the current staffing levels. However, we have a new officer starting this week! Officer Hageman has several years of law enforcement experience and is eager to get started. We have two new reserve officers that joined our team! Reserves Alicia Messer and Brian Burkholder will be helping our team throughout the summer months. Our team continues to provide great services to the township, and I am excited to see where this department is going!

Chief Todd Taylor
